

FRANCO BUZZI MEMORIAL SCHOLARSHIP

As every year, the Franco Buzzi Memorial Scholarship offers deserving and talented young people the opportunity to attend one of the most prestigious postgraduate education programs in the United States.

DESCRIPTION

Every year Buzzi awards two scholarships to the sons and daughters of employees (and retirees) from all of the group's countries, and to young graduates who have obtained a high school diploma in Casale Monferrato, in order for them to attend a Master program at the following leading US universities:

Master of Business Administration (MBA) programs

- McCombs School of Business - University of Texas (Austin, Texas);
- Smeal College of Business - Penn State University (State College, Pennsylvania);
- Kelley School of Business - Indiana University (Bloomington, Indiana);
- College of Business - Lehigh University (Bethlehem, Pennsylvania).

Other Masters available

- Engineering Management – University of Texas (Austin, Texas);
- Chemical Engineering - Penn State University (State College, Pennsylvania);
- Corporate Finance - Penn State University (State College, Pennsylvania);
- Environmental Engineering - Lehigh University (Bethlehem, Pennsylvania).

The chosen Masters are full-time programs which Buzzi will finance entirely, guaranteeing the student the coverage not only of school fees, but also of standard ancillary costs such as travel, accommodation and insurance. The requirements of potential candidates relating to their qualifications, level of English knowledge and analytical skills are set by each university and listed in the admission criteria.

Additional appreciated characteristics are: determination, result orientation, intellectual and communication skills, integrity, maturity and interest in the community.

From a transparency and meritocracy perspective, Buzzi will in no way interfere with the candidate evaluation and selection process. In fact, applicants will be able to submit their application only online and the process will be entirely managed by the chosen university.

ADMISSIONS CRITERIA

Among the admission requirements set by each school are:

- Bachelor's Degree;
- proficient English skills certified by TOEFL or IELTS test scores. This is not required for US citizens, US permanent residents and for people holding a degree from a country where English is the official language;
- adequate GRE or GMAT test scores, if required.

Other relevant factors are:

- work experience (MBA only);
- academic performance and intellectual ability;
- communication, initiative, maturity, integrity, and self-awareness;
- extracurricular and social activities.

For a more detailed description of the admission requirements, please refer to the Universities' websites.¹
